Whole Frozen Turkeys- NIS 49.90 per kg:

Generally ranging in size from 6-10kg. Please note that, while we try our best to provide turkeys at the requested weights, sometimes this is not possible.

Please note that whole turkeys (raw or roasted) need to be ordered by November 15th to ensure that they arrive in time for Thanksgiving.

If you are planning on roasting your turkey on Thursday, we recommend taking it home to begin defrosting with plenty of time to spare.

A 6-8kg turkey takes 2-3 days to defrost completely in the fridge, or about 8 hours immersed in cold water (the water will need to be changed every 30 minutes), so please plan accordingly.
